PETER FLINT
ATTORNEY AND COUNSELLOR AT LAW

and June 9/14

NEW YORK, June 5 1914

My dear Latty:

I am sending you an affidavit which I wish you would read over sign & verify before a notary and send one at once. I wish to use it in my application for the temporary injunction. I expect to submit one from Albert Runge, one from Mr Lodge one from you and one of my own, covering the main points that we wish to bring to the Court's attention.

I have put the matter of my fee before the F.L. & Trust Co. and they are considering the matter.

I shall hope to receive your and Mr. Hurd's contribution without delay. I do not like to have to collect my fee in this manner, but I must have it in order to carry on the work.

Sincerely yours
Peter Flint.
