Dear Miss Thomson:

Your invitation to the
Eagle Lake Ass. Picnic - is
very welcome - I wish I
could be with all the
old friends - but I am in
bed - after ~~an~~ major
operation -

However, I have given
my camp, to my son
Dr Carlos Alden, and he
and his family may open
the camp - and would
join you - in that case -

I have owned The Camp
with my husband since
1900 - & the first Mrs
Harris, was my warm
friend - I shall be with
you all in spirit and
best wishes for a happy
day -

Sincerely yours

Mrs W. Alden
