RCA METAL DETECTORS

CUTLER-HAMMER THAYER SCALES

26 Aug. '71

Mr Alfred E. Runge, Pres.
Eagle Lake Association,
9 Peachtree Lane,
Roslyn, N.Y. 11576

Dear Al,

On the 23 Aug., I talked with Tom Gibson,
Chairman of the planning board.

They expect to receive the zoning law from the
state for consideration on 22 Sept.

The supervisors for the Township will then go
over it; Messrs. Provoncha, Conery, Carter Robinson,
and John Bevilacqua. They will suggest changes
for the voters approval.

According to Mr Gibson Eagle Lake will be zoned
for Parks & Recreation. The only commercial in the vicinity
will be along Route 73 in Chilson.

I've asked Mrs Johnson to keep track of the
situation during my absence in Sept, and will get together
with her & Barney Lefevre in Oct.

Have tried but have not been able to contact
Barney yet. But will drop him a note.

Sincerely,
Carl.
