14 Oct. -
Tyrooga Point meeting.

Dear Al,

On the 23 Aug., I talked with Tom Gibson, Chairman of Ti planning board.

They expect to receive the zoning law from the state for consideration on 22 Sept.

The supervisors for the Township will then go over it; Messers Provoncha, Conery, Carter Robinson, and John Bevilacqua. They will suggest changes for the voters approval.

According to Mr Gibson Eagle Lake will be zoned for Parks & Recreation. The only commercial in the vicinity will be along Route 73 in Chilson.

I've asked Mrs Johnson to keep track of the situation during my absence in Sept, and will get together with her & Barney Lefevre in Oct.

Have tried but have not been able to contact Barney yet. But will drop him a note.

Sincerely,
Carl.
