

EAGLE (CHILSON) LAKE PROPERTY OWNERS ASSOCIATION

SECRETARY-TREASURER,

Mr. Cou S. Lodge - Albany, N.Y.

December 6, 1913,

At the annual meeting of our Association held on Aug 30th action was taken towards reconstructing the old dam, as the outlet of Eagle Lake.

one, presumably Mr. [unclear] out-let of Eagle [unclear] demolished the old dam.

As the old <sup>wooden</sup> dam has lost its usefulness, necessitating a new one, & in order to prevent serious damage & loss to the Lake & property owners, it was decided to build the new dam of stone & concrete.

once gone into a con- at Albany.

This dam will be built at the same water level as the old one, the spillway increased & so constructed as to hold the waters of the Lake at a more uniform level, & better protect the boat houses & it is believed that it will conserve the fish.

he Lake, our object is ed the dam, to replace

In accord with valuable suggestions & sketches given us by the Inspector of Hedges Adams of the N. Y. State Conservation Com., complete drawings & an application have been filed with the Conservation Com.

d cannot do anything the Lake, either indi- against the offending ge done to the property

The expense of construction will be pro rated among the property holders of our association & in order to go on with this work immediately & before the old dam gives away, the Secty. has been ordered to levy the 1st assessment of \$1.00 each on the members, in accordance with Art. IX of our By Laws.

ence with the Conserva- may promptly know the following questions and

In order therefore to commence work as on which if done now, will materially reduce the cost of construction before the old dam breaks away, we earnestly request the members to kindly send their 1st assessments to the Secty without delay.
