

"EDNET" LODGE
EAGLE LAKE
NEAR TICONDEROGA, NY

Sept. 15/41

Dear Mr. Rodgers:-

I received a copy of Sheldon
Wicks' letter to you of Sept. 13/41
concerning his conference with
Mr. Howard recently.

I trust some progress may
develop in having our project
realized.

Hope you all returned home
safely. We shall leave here
on October 1st.

Thought the clipping inclosed
from the Tr. Sentinel may
interest you. Evidently other
associations want relief
by control of water levels in the
Lakes.

With best regards to you
and yours.

Sincerely

Edmund O. Lantry
