My dear Mr. Luthy,

I enclose a copy of letter from Mr. Flint dated Oct. 12 and my reply to his letter. I also received a letter from him on Oct. 2 in which he said he must have \$35 dollars in Tie on Oct. 3 or the case would be dropped. Needless to say he did not get the additional \$35 and you can see by my reply to him how much chance he has of getting much more money from us. Kindly let me know if you give him any more money & how much you give.

My father is just about the same and now often wishes he were back at Eagle Lake. At last we are having some real pain & it has found all last night & to-day. With best regards to you and Mrs. Luthy & family

Truly Yours

Albert Runge.
