

This time it seems useless
to go any further in the
matter, no matter what
Peter says. His enthusiasm
will last as long as our
money does and probably
longer. I thoroughly enjoyed
my visit at your cottage.
You and Mrs. Lutting were
Peter very kind and hospitable

My dear Lutting - In reply to your
post card I would say that
I did not go to Elizabethtown
as Peter's hearing before the
judge was forthwith and
I did not have long
I should have to wait to hear
the result. Have you heard
anything from him or
Albert Ringe regarding the
case? If he did not succeed

kind regards to yourself
and Mrs. Lathrop! The
Germans seem to be going
quite strong at present.
I wish they would land a
bomb in Ticonderoga or
the houses of Hubston &
Ferris or Secret as he
ought to be named.
Let me hear from you
soon.

Faithfully yours
Frederick FitzGerald
