Black letter from Mr. Alden, which
rather surprised me, in that he disavows or
repudiates the assessment that was levied-
I explained to him that it was levied
with our By-laws, (quoting Art II Sec 3) in accordance
meeting held Aug 20/13. In view of the fact
that Mr. Alden, in his own time has not attended
but one meeting of the Association, that being
the first meeting held for organization on
Sept 9th 1907,
knowing that the assessment was levied
I remember the matter was brought up in caucus
also at the time he was with her in the
committee, when we asked the Chairman what the probable
cost of the concrete dam would be. At present
writing Eleven of the sixteen members, paid their assess-
ment being about 70 % paid

to hear from you further as matters develop respecting
the matter of the dam. With the compliments of the
season to you & your family I remain, Yours truly
