

4. ~~John~~ ~~Re-~~ ~~...~~ Demolishing Dam

with the land enginner about it  
 but he did not think they would  
 disturb you any in opening of  
 they intend to go at it with you  
 and the work is now that the Sandford  
 Lake Rail Road will be started with you  
 also you will see by the Sentinel  
 that the rate is being tested at  
 the Port-Henry furnace you  
 know want to be doing ~~the~~ ~~work~~  
 summer I am told that J.C. Martin  
 of the T. P. & P. Co. has turned up  
 and turned out the dam down  
 at the separate I am going down  
 to see in a few days and will  
 then report to you more fully. ~~of~~ ~~the~~ ~~case~~  
 is in day and Burns was at Popham  
 is doing a good business with Clinton  
 farms. Edmund we will find it so  
 you can get your meat from Boston  
 and have it come with our next  
 summer I will write the firm in  
 regard to it much better next of
