Mr. W. S. Lodge
Albany, N. Y.

Dear Mr. Lodge:

Enclosed at hand and contents noted. It was as if the State Dept. did not intend to do anything in the matter and I can't understand why they have not the power to regulate it.

(Between you and I) I don't think Mr. Ukiah will push the matter at all for you know he is interested in the P.T.P. Co as he is President of said Co.

Should it not be a good scheme to

to try and get Mr. Allen to get after
them. It certainly is a shame and the
land seems ought to get after them
for Eagle Lake districus in summer.
Did you send a copy of Ponds letter to
St. Louis?

In another letter I send you money order
for \$2.00 and up to you. I think you
return by the mail the other two pairs.

Very truly,
Cass R. Pease

Mr. Houghtaling sends best wishes
