Dear Mr. Snizek:

**Re: Milfoil Eradication
Eagle Lake (Long Pond)
Towns of Crown Point and Ticonderoga
Essex County**

This is a follow-up to a request by the Eagle Lake Association for approval by OGS as land owner to place benthic mats and eradicate milfoil from the bed of the Lake.

The Office of General Services has no objection to the removal of milfoil nor the placement of benthic mats over the beds of milfoil on State-owned lands underwater.

We look forward to the Adirondack Park Agency issuing a permit for this action within the Park.

If we can provide any further information or be of any assistance, please contact this office at (518) 474-2195.

Sincerely,
